Comments:

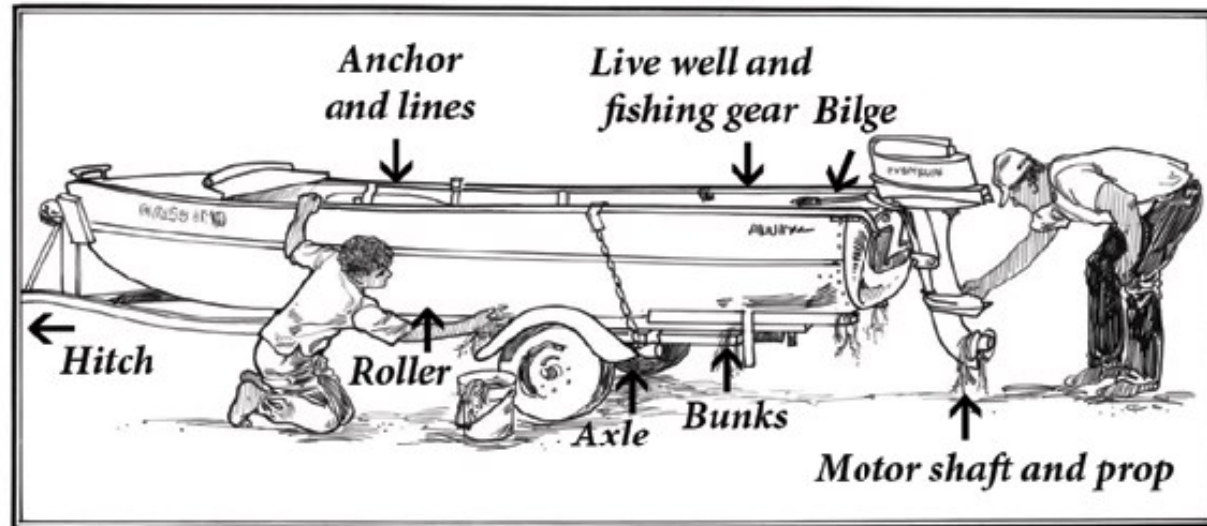

DO NOT CHANGE THIS FORM!

V/P: V=Volunteer inspector; P=Paid inspector *IMPORTANT— Record the entire boat's bow registration number.

**Invasive plant identification must be done by VLMP so send all suspicious plants to VLMP for identification. Keep Inspection Form until contacted by VLMP.

Watercraft Check Points

Inspect all parts of the boat and trailer where plants may be caught including the areas shown in the diagram.

Prevent the Spread of Invasive Aquatic Species

- | | | |
|---|--|---|
| <ul style="list-style-type: none">• Clean off any mud, plants (even small fragments) and animals from boat, trailer and equipment. | <ul style="list-style-type: none">• Drain boat and equipment away from water.• Dry boat and equipment before using in another waterbody.• Never leave waters with | <p>live fish, or release plants or animals into a body of water unless they came out of that body of water.</p> |
|---|--|---|

Record the entire **boat bow registration number (state abbreviation and alphanumeric digits)** on the inspection form and plant bag label.
