

Courtesy Boat Inspector – Job Description

The CBI program is a statewide effort to reduce the spread of invasive aquatic species in the lakes, ponds and rivers in Maine. The job has three main objectives: 1) to inspect and clear motorized and non-motorized boats of all plant material, 2) to encourage boaters to clean, drain and dry their watercrafts, and 3) to educate the public and answer any questions they have about invasive species and the efforts to control them in Maine.

Requirements for the job:

- Thoroughness in conducting inspections
- Attention to detail in filling out all paperwork / documentation and payroll reporting
- Excellent communications skills
- Reliability in keeping scheduled shifts
- Ability to handle unexpected situations
- Availability for season-long duty
- Ability to stand and bend to check underneath boats and trailers
- Face masks will be required when interacting with the public, until the state deems it safe to go without

If you would like to help protect our lakes and feel that you can meet these requirements please fill out the 2023 CBI application on the next page.
